Who Are We?

We are a caring dental and medical team with decades of experience in the art of sleep dentistry for children.

We have helped thousands of kids who suffer with anxiety and children with special needs escape traumatic dental experiences.

All Kids Dental Surgery Center has met the highest standards in safety and quality of care in the state of California.

We are a licensed and accredited dental surgery center right here in downtown Bakersfield.

What Makes All Kids Dental Surgery Center Special?

We're special because we partner with dental offices in providing a resource for challenging and complex cases.

In Many Cases while treating children in a regular dental office, they exhibit fear and become uncooperative.

All Kids Dental Surgery Center is able to provide the entire treatment for your child while they sleep using modern anesthesia techniques.

- 🦷 No need for sleepy juice
- 🦷 No papooosing (restraining)
- 🦷 Kids never see needles or drills

All Kids Dental Surgery Center can be the right choice for you. Call us today!
